Email Commenter	Comment
Julie Griffin	**Favors** keeping "northern Glendale [in] one district (Crescenta Highlands, Montrose, Spar Heights, Whiting Woods, etc.)", such as in 117. **Against** 108 for dividing those areas.
Heather Parker	Favors Map 127 (which is a 4 district map)
Arpine Shakhbandaryan	Favors 106b
Morgan Ward Doran	*Against* maps 103, 120, 115, 117, 118 for dividing South Glendale too much
Mary Lynn-Fisher	**Favors** 120b (keeps neighborhoods together) **Against** 108 (splits Sparr Heights from the north) and 102 (splits Whiting Woods from north Glendale).
KU400 email	**Against** 104 and 105 (divides community around San Fernando and the I-5 corridor)

Against 118: Adams Hill has more in common with neighboring Tropico than with the farther-away canyons.
Against 103: dilutes renters' voice
Against 117: seems to be gerrymandering and against the Fair Maps Act
Against 108: divides contiguous neighborhoods of Crescenta Heights & Montrose & Sparr Heights
Against 107: northern district comes too far south
Favors 114: "not super clean" but makes sense
Favors 105: easy to understand
Favors 120b: fire danger is an issue that unites the north

Public comments about general map characteristics from early forums and Council hearings (not specific to any one map):

- Kenneth Village and Northwest Hillsides should not be w/North Glendale.
- There should be two districts entirely in south Glendale
- Rancho should be with southwestern Glendale
- East Tropico should be with the area to the west of it, not with Adams Hill
- General concern about keeping all or specific neighborhood associations united
- Concern about majority-homeowner Adams Hill being with the majority-renter rest of south Glendale
