Good morning,

City Council decided to hold a study session to allow councilmembers to discuss City Council Districts and alternative voting methods including Ranked Choice Voting, Cumulative Voting and Limited Voting in more detail. The session will be live-streamed and the recording will be made available on [the City's website](#).

Hi Madeline,

Thank you for letting me know!!

Can I ask why the hearing was cancelled in favor of a study session? I unfortunately will be at work at 2PM and therefore can no longer attend.

Hi Julia,

Thank you for contacting us and participating in the City of Glendale's potential move to district-based elections. A study session will be held at 2 p.m. on October 24 in place of the public hearing that was scheduled for that evening. The session's agenda will be available on the [City's website](#) and [MapGlendale.org](#) later today.

Hi,

I was hoping to confirm if the tentatively scheduled public hearing for October 24th, regarding the potential districting of Glendale, is going to happen.

If so, is there a planned agenda or any information that can be passed along to people who want to attend?

Thank you so much!

Hello..

I know that the government / committee business is a process. Committees are good at keeping things mushy.

Though this note will not make a dent, please be sure that by the election in 2024, that SOMETHING be on the ballot that will pass. To the best of your ability, no gerrymandering.. and I am afraid that there may be powers afoot that would do that..

Just a plan that allows the south, the middle and the north of Glendale to have a say.

For me in Adams Hill, having felt really dismissed over many years.. this may be an opportunity for ALL of Glendale's citizens to be represented fairly.

Do NOT drag your feet. Get this on the ballot. Please.

Hi!

I wanted to ask, for the public hearing scheduled for November 7th, if there is a plan for the hearing to be translated? If so, do you know what languages will be available?

Thank you!

Thank you for pursuing districting. Please note my vote that the Council select **Map 125**. It best preserves existing neighborhoods and gives voice to minorities.

The other maps that do this, though less well, are 107, 126, 126b, and 126c.

Thank you.
